## RAILWAY DEPARTMENT

## "RAILWAY ACT"

PURSUANT to the provisions of section 7 of the "Railway Act," being chapter 285 of the "Revised Statutes of British Columbia, 1948," His Honour the Lieutenant-Governor in Council has been pleased to approve the following certificate, numbered 821, signed and sealed this 21st day of August, 1953:—

Certificate No. 821.

## "RAILWAY ACT"

(Chapter 285, R.S.B.C. 1948)

In the matter of weights of rail and the ever-increasing change from steam locomotives to diesel-electric locomotives, it is deemed necessary to amend Rules and Regulations, Rule 121, Part III, Locomotives, by authority of the provision of section 289 of the "Railway Act," being chapter 285, R.S.B.C. 1948.

Now, therefore, I, William Ralph Talbot Chetwynd, Minister of Railways of the Province of British Columbia, hereby certify that, pursuant to section 289 of the "Railway Act," I have amended the Rules and Regulations, Rule 121, Part III, by adding the following:—

"(f) *Classification and Speed-control.*—In view of the available information to date on the subject, and considering that the full effects of diesel-electric operation on track and structures are not yet as firmly established as are the ramifications of steam-locomotive operation, one point appears certain at this time regarding diesel-electric operations, and that is the only feasible governing factor in diesel-electric operation resolves itself to speed and speed-control on various weights of rail.

"(1) That all diesel-electric locomotives be classified by code stencilled on the cab of the locomotive, such letters to indicate class, number of axles, number of drivers, weight per axle (starting tractive effort), as indicated in the following table:—

A—Alco (MLW).  
B—Baldwin (Baldwin Lima Hamilton).  
C—Canadian (Can. Locomotive Co.).  
F—Fairbanks-Morse.  
G—General Electric.  
GM—General Motors.

First figure—total number of axles.

Second figure—number of drivers.

Third figure—starting tractive effort at 25 per cent adhesion in thousands of pounds.

First figure/third figure—total weight of locomotive in thousands of pounds.

Second figure/third figure—weight on drivers in thousands of pounds.

Example: Four-wheel truck Alco—Class A 4-4-60.

"(2) That provided track and road-bed are up to standard the following maximum speed restrictions will apply, where diesel-electric locomotives are used:—

"(i) On common-carrier railways where passenger-trains are operated over any portion of the railway:—

Class 4-4-60:

25 m.p.h. on rail 60-84 pounds.

45 m.p.h. on rail 85-90 pounds.

Unlimited 90 pounds and over.

Class 6-4-40:

25 m.p.h. on rail 60-84 pounds.

50 m.p.h. on rail 85-90 pounds.

Unlimited 90 pounds and over.

Class 4-4-35:

35 m.p.h. on rail 60-84 pounds.

Unlimited on rail 85 pounds and over.

Class 4-1-32 and lighter:

Unlimited speed on rail above 56 pounds.

"(ii) On any railway where passenger-trains serving the public are not operated:—

Class 4-4-60:

30 m.p.h. on rail 60-72 pounds.

35 m.p.h. on rail 73-85 pounds.

Unlimited 85 pounds and over.

Class 6-4-40:

30 m.p.h. on rail 60-72 pounds.

35 m.p.h. on rail 73-85 pounds.

Unlimited 85 pounds and over.

Class 4-4-35 and lighter:

30 m.p.h. on rail 59 pounds and lighter.

40 m.p.h. on rail 60-72 pounds.

Unlimited 72 pounds and over.

"(iii) Nothing in these rules shall be misconstrued to prevent the Minister imposing further restrictions where, in his opinion, conditions warrant, or to prevent the company imposing reduced-speed restrictions on local slow orders, but, in any event, the responsibility for the observance of all speed restrictions shall remain with the company."

In witness whereof I have hereunto set my hand and seal this twenty-first day of August, in the year of our Lord one thousand nine hundred and fifty-three.

RALPH CHETWYND,

618-au27

Minister of Railways.

## LEGISLATIVE ASSEMBLY

## NOTICE

## PRIVATE BILLS

NOTICE is hereby given that, pursuant to Standing Orders, no petition for any Private Bill shall be received by the House in its forthcoming Session after Thursday, September 24th, 1953.

Dated August 4th, 1953.

EDWIN K. DEBECK,  
*Clerk of the Legislative Assembly  
of British Columbia.*

271-ap6

## PRIVATE BILLS

EXCERPT FROM STANDING ORDERS RELATING TO  
PRIVATE BILLS

100. (1) All applications to the Legislative Assembly for Private Bills of any nature whatsoever shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant.

(2) Such notice shall be published in The British Columbia Gazette and once a week in one leading daily newspaper freely circulating in all parts of the Province. The notice in such newspaper to appear on Wednesday of each week.

(3) When the proposed Bill is of such a nature that it may particularly affect one or more electoral districts, the notice shall furthermore be published once a week if possible in some newspaper in every electoral district affected, or if there be no newspaper published therein, then in a newspaper published in the electoral district nearest thereto.

(4) The publication of such notice shall in all cases be continued for a period of four weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

97. No petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no motion for the suspension or modification of this Standing Order shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with the consideration of Private Bills, who shall report thereon to the House. And if this rule shall be suspended or modified as aforesaid, the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the petition has been received after the time hereinbefore limited, shall in either case pay double the fees required in respect of such Bill by this rule, unless the House shall order to the contrary.

98. (1) Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session:—

- (a) A printed copy of such Bill;
- (b) A copy of the petition to be presented to the House;
- (c) Copies of the notices published, with publication proved by a statutory declaration or affidavit to the satisfaction of the Clerk of the House.

(2) At the time of depositing the Bill and petition the applicant shall also pay to the Clerk of the House the sum of three hundred dollars.

(3) If a copy of the Bill, petition, and notices proved as aforesaid shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session or if the petition has not been presented to the House within the first ten days of the Ses-

sion, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees shall be returned.

101. Every petition signed by an agent or attorney in fact shall be accompanied by the authority of such agent or attorney in fact, and the petition shall not be deemed to be filed with the Clerk until this is done.

102. Before any petition praying for leave to bring in a Private Bill for the erection of a toll-bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Standing Order 100, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts or vessels, and mentioning also whether they intend to erect a draw-bridge or not, and the dimensions of the same.

103. (1) All Private Bills for Acts of incorporation shall be so framed as to incorporate by reference to the clauses of the general Acts relating to the details to be provided for by such Bills: Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the general Act is proposed to be departed from. Bills which are not framed in accordance with this Standing Order shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

(2) Every Bill for an Act of incorporation, where a form of model Bill has been adopted, shall be drawn in accordance with the model Bill (copies of model Bills may be obtained from the Clerk of the House). Any provisions contained in any such Bill which are not in accord with the model Bill shall be inserted between brackets or underlined, and shall be so printed.

(3) Any exceptional provisions that it may be proposed to insert in any Bill shall be clearly specified in the notice of application for same.

107. All Private Bills shall be prepared by the parties applying for the same, and printed in small-pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring 10¾ inches by 7½ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

In the case of Bills to incorporate companies, in addition to the fee of \$300 mentioned in Rule 98, fees calculated on the capital of the company are payable at the same time. Further particulars can be had on application to the undersigned.

All cheques in payment of fees must be certified.

Dated January 5th, 1949.

E. K. DeBECK,  
*Clerk, Legislative Assembly.*

## "COMPANIES ACT"

I HEREBY CERTIFY that there have this day been registered pursuant to the "Companies Act" an office copy of an order of the Honourable Mr. Justice Davey, dated the 3rd day of August, 1953, confirming wholly a special resolution of the Howe Sound Pulp Company Limited for the alteration of the objects of the Company and a copy of the memorandum of association of the Company as altered.

The objects of the Company as altered are:—

(a) To maintain, conduct, manage, and carry on the business of pulp, paper, and newsprint manufacturers, lumbermen, forest management plan operators, forest nurserymen, loggers, sawmillers, veneer and plywood plant operators, shingle-mill operators, and manufacturers of all products and by-products of wood:

(b) To cut, extract, and remove timber and wood from forests and other land, and to convert timber and wood into marketable products of all kinds, including, without limitation, sawlogs, shingle bolts, ties, piling, poles, squared and hewn lumber and timber, chips, shingles, veneer, plywood, pulpwood, wood-pulp (whether mechanically or chemically prepared), paper, paper board, and paper products of all kinds, and all other products and by-products of wood, and all articles and materials in the manufacture of which timber, lumber, or wood is used, and any and all chemicals, ingredients, products, by-products, and compounds thereof; to buy, prepare for and carry to market, sell, market, exchange, import, export, and deal in any or all of the marketable products of timber or wood:

(c) To acquire, maintain, improve, manage, work, and operate plant sites, mills, plant, machinery, logging railways, truck roads, tramways, skidways, roads, townsites, boarding-houses, dwellings, sewers, water, electricity, and gas conduits, and other services, wharves, docks, piers, bridges, booms, booming-grounds, sorting-grounds, reservoirs, flumes, aqueducts, tanks, containers, pipes, pipe lines, and all other works, apparatus, and conveniences, and real and personal property of every kind and nature whatsoever which the Company may think, directly or indirectly, conducive to any of the objects herein expressed or that the Company may think necessary or convenient for the purposes of its business:

(d) To purchase, lease, or otherwise acquire, and hold, but not to trade in the same as a business or plan for profit, timber and timber lands for the purpose of utilizing the timber and wood cut and removed therefrom in the Company's business:

(e) To acquire, operate, and carry on the business of a power company and to apply water or water power for producing any form of power, or for producing and generating electricity for the purposes of light, heat, and power, or any other purpose for which electricity may be applied; to acquire, construct, and operate waterworks, and to distribute, sell, supply or use water or water power for mechanical, irrigation, domestic, or any other purposes for which water or other power may be supplied, sold, or used; to render water and water power available for use, application, and distribution by acquiring, constructing, erecting, and operating any and all improvements of every sort whatsoever necessary for said purposes, including the diverting of the waters of any stream, pond, or lake into any other channel or channels:

(f) To carry on the business of general carriers of passengers and goods by land or water and the business of a dock, pier, or harbour company:

(g) To avail itself of, and to have, hold, exercise, and use all rights, powers, privileges, advantages, priorities, and immunities created, provided, and conferred by the "Water Act," and any amendments thereof, and any and all other laws pertaining to the appropriation and use of waters for any and all purposes whatsoever:

(h) To construct, equip, operate, and maintain electric, cable, or other tramways for the conveyance of passengers or freight:

(i) To construct, equip, operate, and maintain telegraph and telephone systems and lines:

(j) To carry on the business of an electric-light company in all its branches, and to do any and all things necessary to generate, distribute, and supply electricity to any person, firm, or corporation, or municipality:

(k) To establish, operate, and maintain stores and trading-posts, and to carry on a general mercantile business, and to carry on the business of hotel and innkeepers:

(l) To remove obstructions from any river, lake, creek, or stream, and to do all things necessary to make the same clear and fit for rafting and driving thereon logs, lumber, rafts or crafts, and for such purposes to blast rocks, deepen channels, remove shoals or other impediments, or otherwise improve the navigability or floatability of any river, lake, creek, or stream.

Given under by hand and seal of office at Victoria, Province of British Columbia, this seventh day of August, one thousand nine hundred and fifty-three.
